More than Eye Candy

A fleet of the most adorable food pop-up campers and retro bike carts will be making tasty visits to street corners and events around the region this summer, including stops in the South Sound. Keep your eyes out for the **Mobile Mavens**, including newcomers Lil' Blu + Half Pint, GaiBox, Picnic, and more, and sip refreshing cocktails, mouthwatering gourmet sammies, fluffy biscuits, and cheesy goodness. The mobile dining fleet was created by Bon Appetit Management Company. mobilemavenseattle.com
